About Ocean by H10

Ocean by H10 Hotels was founded in 2007 as a joint venture between Spain-based H10 Hotels and Vacances Air Transat, a leading Canadian tour operator and charter carrier. The company currently operates resorts in Mexico, the Dominican Republic and Cuba, where two new hotels will open in the coming months: the 470-room **Ocean Vista Azul** in Varadero, on Nov. 1st 2015, and the 800-room **Ocean Casa del Mar**, on Dec. 15th 2015, in Cayo Santa Maria, which serve as a perfect complement to the current 420-room **Ocean Varadero El Patriarca**, in Varadero, and the H10 Habana Panorama, a 320-room urban hotel in La Habana.

Amazing beachfront locations, close proximity to gateway airports, a la carte restaurants and a unique “All-Inclusive 24 hours” identity truly characterize the Ocean by H10 Hotels brand.
